

Guidelines for Supplying Digital Artwork

Accepted Programs Adobe Creative Suite 6
Lower versions also accepted

Accepted Formats .ai .eps .ps .psd .pdf

File Information You must include all .eps and Placed Images(300 dpi) used in creating your file. If this cannot be done, Placed Images must be embedded in the file.

Font Information Please send all screen and printer fonts used in your file. Fonts are not required for text that has been converted to outlines (non-editable). NOTE: fonts embedded in a PDF are good for viewing only. We will need the screen and printer fonts supplied to us.

Color Information Please specify PANTONE colors or Process Colors(CMYK) wherever possible.
NOTE: Please convert any RGB files to CMYK before sending.

Sending Files E-Mail: artwork@lionlabels.com
Please include any pertinent information in your e-mail referencing your project or purchase order. Include the name if your sales rep if known.

Large Files: Please use the Upload Artwork link on our website.
